How You Can Support Us

The Mid Market Community Benefit District (**MMCBD**) and the Civic Center Community Benefit District (**CCCBD**) are non-profit organizations dedicated to improving the public realm through public space cleanliness, safety, activation and beautification for the benefit of all who live, work and visit the area.

Companies, foundations and private donors have an opportunity to support and invest in the program or neighborhood of their choice by sponsoring core services common to both Districts or specific **MMCBD** & **CCCBD** programs and events. Contributions allow CBD's to increase capacity of core services and area programs and events, providing benefits to the neighborhood.

Donors and sponsors receive recognition on the District websites, recurring newsletters, social media and communications sent to stakeholders, and in signage, displays and announcements made during unique sponsored events.
